

**To whom it may concern**

Aarhus, 28. December 2011

The establishment of Aarhus Academy for Global Education has created an essential foundation for Aarhus as an International Power Center in Denmark.

Aarhus should, as an International oriented city, be able to offer the environment for international students and foreign workers. The cementation took place at the opening of Aarhus Academy for Global Education.

Aarhus wants to attract and keep foreign workers to ensure Aarhus as a city of development and knowledge. Nordea agree and appreciate the establishment of Aarhus Academy of Global Education and wants it to succeed.

Nordea is going to support Aarhus Academy of Global Education continuously.
