

Aarhus, 15th of December 2011

To Whom it May Concern.

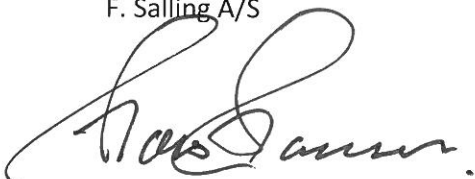

It is a great pleasure that Aarhus Academy for Global Education on 1 November 2011 opened its doors for international education in Aarhus. With its new innovative and IT based facilities and its focus on ensuring high level international education from the standard of the accredited IB certification, Aarhus Academy for Global Education presents an attractive learning environment for international families.

Aarhus Academy for Global Education has strong ambitions towards creating innovative, high-class international education in Aarhus, which is an aspect strongly supported by the business community in city.

Moreover, a professional international learning institution like Aarhus Academy for Global Education has a positive effect on the internationalization of Aarhus and contributes positively to enabling the municipality to reach its growth targets for 2030.

Yours Sincerely

F. Salling A/S
